

Christiane PAPÉ

"... her canvasses profoundly touch and intrigue ...

"... compositions engaging the viewer into intense depths of sensuality and emotion".

"... Emotional display of happiness - peacefulness, ecstasy, rage and strength to name a few ..."

"... her masterful sense of composition and excessive use of color - yet, the overall visual effects is one of playful spontaneity which reflects her personality -- especially her optimism ..."

"... playful exuberance and insouciance of youth ... radiant - energizing Joie de Vivre flows freely from her brush in images that catch the flowering of creative impulse at his peak ..."

"... the expressive, spontaneous passion of her works is often couched in atmospheric images and colors which capture the ever-changing moods, movement and power of the heavens..."
